THE DRAW AND BYES

THE DRAW Draws for competitions will take place once all on-site weigh ins and medicals have taken place.

BYES In competitions where there are more than four (4) competitors, enough byes shall be drawn in the first series to reduce the number of competitors in the second series to 4, 8, 16 or 32. Competitors drawing a bye in the first series shall be the first to compete in the second series. If there are an odd number of byes, the Athlete who draws the last bye will compete in the second series against the winner of the first contest in the first series. Where the number of byes is even, the Athlete drawing byes shall compete in the first contests of the second series in the order in which they are drawn.

CONTESTS PER COMPETITION DAY An athlete is only permitted to compete in a maximum of one (1) contest per day. In special circumstances, the regional WBC MuayThai representative or supervisor has the authority to allow an athlete to compete in more than one (1) contest per day.

Additional Contest Rest Allowance the athlete must be allowed a minimum of three (3) hours rest between contests.

Maximum Additional Contests An athlete must not exceed three (3) contests per day.

SECONDS & CORNER TEAM

NUMBER OF SECONDS Each athlete is entitled to a maximum of two (2) Seconds but may not compete with less than one (1).

CONDUCT The Seconds shall abide the following rules

During an Active Round

- The Seconds shall remain seated away from the platform of the ring. Before a round begins, they shall remove all objects from the ring platform (e.g., seats, towels, buckets, water bottles, etc.); and
- During a count, warning, or Time Out the Second shall not provide advice to their athlete.

During the Rest Between Rounds

- Only two Seconds shall mount the apron of the ring and only one may enter the ring.
- A Second, who is outside the ropes, may not insert their body between the ropes and must reach over the top if tending to the athlete.
- A Second will ensure that the athlete faces toward the center of the ring, with their back to their corner; and Seconds are permitted to spray a reasonable amount of water on the athlete using a water bottle or spray bottle.

WBC ADULTS MUAYTHAI RULES & REGULATIONS

At Any Time

- A Second can retire an athlete and may, when they consider their athlete to be in difficulty, throw the towel into the ring to signal the end of the contest - except when the referee is while counting.
- No bad advice, bad assistance or bad encouragement, or aggressive physical contact shall be given to an athlete by a Second.
- Any Second encouraging or inciting spectators by words or signs to advise or encourage an athlete during the progress of a round shall not be permitted to continue to act as a Second at the tournament where the offense is committed.
- If a Second violates the rules they may be warned or disqualified. An athlete may also be cautioned, warned, or disqualified by the referee for offences committed by their Seconds. If a Second is removed by the referee from the corner, they may not be replaced by an alternate Second and shall not assist for the remainder of competition.

REQUIRED SUPPLIES Each corner is required to have their own towel, squeeze bottle and water with the corner bucket. These items are not to be lent for use by any other Athlete to prevent the spread of bacterial-viral illnesses and contamination with regards to the WBC MuayThai anti-doping policies.

COMPULSORY MEETING Before each competition the appointed head of ring officials and WBC MuayThai supervisor will arrange a technical meeting of all officials and the Seconds who are going to work in each tournament and emphasize that WBC MuayThai rules will be followed.

TIMEKEEPER

DUTIES OF THE TIMEKEEPER Each contest shall have one (1) timekeeper who shall be seated ringside.

The Timekeeper shall:

- Regulate the duration of the Wai Kru and signal its end to the Referee and athletes by hand signal or bell.
- Regulate the number and duration of the contest rounds.
- Regulate the intervals between rounds.
- Commence and end each round by striking the gong or bell.
- Indicate or give a signal of 10 seconds to clear the ring before the commencement of each round.
- Take off time when instructed to do so by the referee.
- Regulate all periods of time and counts by a watch or clock; and
- If at the end of around an athlete is “down” and the referee is while counting, the gong indicating the end of the round will not be sounded. The gong will be sounded only when the referee gives the command “CHOK” indicating the continuation of the match.

WBC ADULTS MUAYTHAI RULES & REGULATIONS

STARTING A CONTEST

PRESENTING FOR COMPETITION Athlete's will approach the ring wearing the following equipment in a state ready to be used for competition:

- Gloves.
- Elbow guards.
- Shin guards.
- Groin guard.
- Chest protection (if used); and
- Body protector (if used).

The Mongkon, head guard, and gum shield shall be held by the athlete's Seconds in preparation for the contest.

The athlete shall enter the ring between the 2nd & 3rd rope, or 3rd & 4th rope for Athletes in heavier weight divisions, and after having entered the ring will have the Mongkon placed on their head by their Second before presenting themselves to the Jury and Judges. The athlete, in their corner, will then present themselves to the Referee for their equipment inspection.

PERFORMING THE WAI KRU After the equipment inspection is completed the referee will signal the start of the Wai Kru.

SHAKING OF HANDS Before beginning and after a contest, athletes shall shake hands or "Wai" in a proper manner, as a sign of a purely sporting and friendly rivalry in accordance with the rules.

Authorized Times The shaking of hands takes place before beginning the first round and after the announcing of the contest results. Any further shaking of hands between the rounds is prohibited.

WAI KRU

REQUIREMENT Before the first round, every athlete must perform the traditional MuayThai ritual of homage "Wai Kru" according to the customs of MuayThai.

FUNDAMENTAL ELEMENTS The athlete must, at a minimum, prostrate to the canvas three (3) times while wearing a sacred Mongkon. Athletes are encouraged to perform a proper Wai Kru consisting of Starting Postures, Sitting Postures and Standing Postures.

MUSIC The traditional MuayThai musical instruments (java pipe, small cymbals and two drums) will accompany the ritual. If a live band is not available, it is permissible to use MuayThai music played from a recording.

WBC ADULTS MUAYTHAI RULES & REGULATIONS

REFEREE

DRESS REQUIREMENTS The referee is to wear flat soled shoes without a raised heel and is recommended to wear surgical gloves while officiating. Any accessories such as eyeglasses, jeweler, belt, and headwear are prohibited.

PRIMARY CONCERN The 'duty of care' of the Athlete is the primary concern of the referee.

DUTIES The referee shall:

- Use 3 words of command in Thai: "YUT" (Stop) when ordering the athletes to stop action; "YAK" (Break) when breaking a clinch, upon which command each athlete shall step back to await the Referee's command to continuing the competition; and "CHOK" (Box) when ordering the athletes to continue.
- See that the rules and fair play are strictly observed.
- Check the gloves and dress of the athletes.
- Always maintain control of the contest.
- Prevent a weakened athlete from receiving undue and unnecessary punishment.
- Referee shall visually demonstrate any infringement of the rules to an athlete.
Stop each round at the strike of the bell by commanding "YUT" and obstructing the athletes, directing them to their corner.
- At the end of a contest collect and check the papers of the Judges; after checking the Referee shall present these papers to the supervisor, or on occasions when there is no Jury, to the announcer.
- When the referee has stopped the contest, they shall first inform the Jury as to the reason such that the announcer can make the decision known to the public; and
- The Referee shall not indicate the winner, by raising an athlete's hand or otherwise, until the announcement has been made. When the winner of the contest is announced, the referee shall raise the hand of the winning athlete.

POWERS OF THE REFEREE The Referee has the authority to

- Terminate a contest at any stage if they consider it too one-sided
- Terminate a contest at any stage if one of the athletes has received an injury on account of which the referee decides they should not continue
- Terminate a contest at any stage if they consider the contestants are not competing in earnest. In such case they may disqualify one or both contestants.
- Caution an athlete or to stop the contest to administer a warning to an athlete against fouls or for any other reason in the interests of fair play, or to ensure compliance with the rules.
- Disqualify an athlete who fails to comply immediately with the referee's orders or behaves towards them in an offensive or aggressive manner at any time.
- Disqualify a Second who has infringed the rules and/or the athlete themselves if the Second does not comply with the Referee's orders.

WBC ADULTS MUAYTHAI RULES & REGULATIONS

- With or without a previous warning, disqualify a contestant for committing a serious foul.
- In the event of a knock-down, suspend a count, if an athlete's opponent deliberately fails to retire to a neutral corner or delays to do so

JUDGES

DUTIES

- Each Judge shall independently evaluate the merits of the two contestants and decide the winner according to the rules.
- A Judge shall not speak to an athlete or to another Judge, nor to anyone else except the referee during the contest, but may, if it is necessary, at the end of a round, bring to the notice of the referee any incident which they may appear not to have noticed, such as the misconduct of a Second, loose ropes, etc.
- The number of points awarded to each competitor shall be entered by a Judge on their scoring system or paper immediately after the end of each round.
- At the end of the contest a Judge shall total the points, nominate a winner, sign their scoring paper, and submit their scorecard to the referee; and a Judge shall not leave their seat until the decision has been announced to the public.

SCORING SYSTEM

SCORING MUAYTHAI SKILL A MuayThai skill is a punch, kick, knee, or elbow applied with force and intent to cause damage. One score will be awarded for each MuayThai skill that strikes against a scoring target without being blocked, guarded against, or infringing the rules.

Target the Target for MuayThai means, any part of the body except the groin.

Non-scoring Targets The gloves, forearms, foot, and shin are not scoring targets, unless a strike is applied with enough power to affect a scoring target (e.g., a high kick against the gloves of a blocking opponent off balances the target.)

Illegal Targets The groin is not a scoring target and intentional strikes against the groin may be considered fouls.

TEN-POINT MUST SYSTEM Each round shall be scored individually, in which at least one athlete shall be awarded 10 points. No fraction of points may be given.

Steps for Awarding Points

- First, an athlete wins the round when utilizing more scoring MuayThai skills than the opponent;
- A difference of 7 or less scoring MuayThai skills between the athletes is a small margin.

WBC ADULTS MUAYTHAI RULES & REGULATIONS

- A difference of 8 to 14 scoring MuayThai skills between the athletes is a clear margin.
- and A difference of 15 to 21 scoring MuayThai skills between the athletes is a total domination.

If the Athletes are equal in scoring MuayThai skill, then

- Second, an athlete wins the round when using more forceful MuayThai skills than the opponent.

Non-Awarding of Points

- Striking with lack of MuayThai skills.
- Strikes which are effectively blocked by the opponent's forearms/gloves or shins/feet.
- Striking with lack of force even when those strikes have landed on target; • Throwing the opponent without striking; and
- Striking while infringing any of the rules.

Assignment of a Round's Score At the end of each round, 10 points shall be awarded to the better (more skillful in MuayThai) athlete, and the opponent proportionately less (9-8-7 respectively).

- 10 points will be awarded to each athlete if they are even in the round.
- 10 points will be awarded to the athlete who wins the round by a small margin, the opponent will receive 9 points.
- 10 points will be awarded to the athlete who wins the round by a large margin, the opponent will receive 8 points.
- 10 points will be awarded to the athlete who wins the round by a total domination, the opponent will receive 7 points.
- The athlete will have their number of total points reduced by one (1) for each warning received if the Judges agree with the Warning. **Deduction of Points** Point deductions for flagrant fouls are only deducted at the professional decision of the referee. Judges will note them on their scorecard, but it does not affect their score in the round as there must be a ten point must system. **END OF CONTEST** A winner must be nominated in all tournaments. If at the end of a contest a Judge finds that the athletes are equal in total score, the Judge shall determine a winner by applying the Steps for awarding points across the entirety of the contest.
- If the athletes are equal in both scoring Muay Thai skill and the forcefulness of their Muay Thai skill, then an Athlete wins then round by any of, Showing less exhaustion or less bruising than the opponent.
Showing more willingness to lead off or aggressive intention to compete than the opponent;
Having better defense by which the opponent's MuayThai skills effectively blocked or made to miss;
Having better Muay Thai style than the opponent; and having less infringement of the rules than the opponent.

In Exhibition Matches, a draw decision may be awarded.

WBC ADULTS MUAYTHAI RULES & REGULATIONS

DECISIONS

WIN ON POINTS At the end of a contest, the athlete who has been awarded the decision by many of the Judges shall be declared the winner. If both athletes are injured, knocked out simultaneously or cannot continue the contest the Judges shall record the points gained by each athlete up to its termination; the competitor with the most points shall be declared the winner.

WIN BY REFEREE STOPS CONTEST

Outclassed If an athlete, in the opinion of the referee, is being outclassed or is receiving excessive punishment or hard strikes, the contest shall be stopped, and his/her opponent declared the winner.

Injury If an athlete, in the opinion of the referee, is unfit to continue due to injury sustained from legal strikes or other action or is incapacitated for any other physical reasons (e.g., joint dislocations, vomiting, profuse nasal bleeding), the contest shall be stopped, and the opponent declared the winner.

- The right to make this decision rests with the referee, who may consult the doctor at the neutral corner. If the doctor advises to stop the contest, the referee must follow their advice. It is recommended that the referee checks the other athlete for injury also before making this decision.
- When a referee calls a doctor to examine an athlete inside the ring only these two individuals should be present. No Seconds should be allowed into the ring or on the apron; and
- If the injury should happen in the final round of a gold medal contest, the winner will be decided on majority points scored from all preceding rounds only.

The Doctor shall only examine an athlete during the rest under direct instruction from the referee. In such cases that the Doctor advises the contest to be stopped, the Referee shall instruct the Timekeeper to begin the round time. The referee will then immediately stop the contest and declare the opponent the winner by TKO.

Head Injury When an athlete has received hard head blows or strikes to the head rendering the Athlete defenseless and incapable of continuing the contest.

Body Injury When an athlete has received a hard strike to any part of the body except the head rendering the Athlete defenseless and incapable of continuing the contest.

Compulsory Count Limit the referee stops the contest when a prescribed limit of counts has been reached, depending on the division of competition.

- Senior and U23: 3 counts in the same round or 4 counts in the whole contest.

WIN BY KNOCK-OUT (KO) If an athlete is “down” and fails to resume competing within the count of “SIB” (10), the athlete’s opponent shall be declared the winner by a knock-out.

WIN BY RETIREMENT (RET) An athlete’s opponent shall be declared the winner when

WBC ADULTS MUAYTHAI RULES & REGULATIONS

- The athlete does not leave their corner after the rest between rounds.
- The athlete does not wish to continue after receiving a count; or
- The athlete's Second surrenders on their behalf.

WIN BY DISQUALIFICATION If an athlete is disqualified, the opponent shall be declared the winner.

If both athletes are disqualified, the decision shall be announced accordingly. A disqualified athlete shall not be entitled to any prize, medal, trophy, honorable award, or grading, relating to any stage of the competition in which the athlete has been disqualified. **WIN BY WALK-OVER** Where an athlete presents them self in the ring fully attired for boxing and the opponent fails to appear after their name has been called out by the announcement system, the bell has sounded, and a maximum period of two minutes has elapsed, the Referee shall declare the first athlete to be the winner by a "Walkover". Referee shall first inform the Jury accordingly and summon the athlete to the center of the ring for the presentation of the decision.

NO CONTEST A contest may be terminated by the referee inside the scheduled duration owing to a material happening outside the responsibility of the athletes or the control of the referee such as the ring becoming damaged, the lighting has failed, exceptional weather conditions, etc. In such circumstances, the contest shall be declared "No Contest" after a maximum period of 10 minutes has elapsed.

DRAW A draw may only occur in Exhibition Matches. A draw occurs when most of the Judges have scored the competition equally.

APPEALS An appeal must be lodged by the manager of a team within one hour after the decision has been announced, or within thirty (30) minutes if the contest is a gold medal match.

After the decision is announced, the protest shall be made in writing and handed to the WBC MuayThai supervisor, with all appeal decisions taken by an appointed review committee.

FOULS

TREATMENT OF FOULS The athlete who commits fouls can, at the discretion of the referee, be cautioned, warned, or disqualified without a warning.

Cautions A caution is an admonishment given by the referee to an athlete to check or prevent undesirable practices of the less serious infringements of the rules. To do so referee will not necessarily stop the contest but may find a suitable safe opportunity during a round to admonish an athlete for an infringement of the rules. A caution shall be accompanied by the appropriate physical signal for the offense committed. If an athlete is given three (3) of the same Caution in a contest, they shall receive a warning. Should an Athlete receive many cautions for different types of fouls the Referee may apply a warning for unsportsmanlike conduct.

WBC ADULTS MUAYTHAI RULES & REGULATIONS

Warnings If an athlete commits repeated or serious infraction of the rules, the Referee shall stop the contest and clearly demonstrate the infringement. The referee will inform the Jury of the Warning, then point to the athlete and to each of the Judges to signal that a Warning has been given. After giving the Warning, the Referee shall order the Athletes to resume competition.

Disqualifications For major/dangerous infractions of the rules the referee may opt to immediately disqualify an athlete.

KNOCKDOWNS

DEFINITION An Athlete is considered “Knocked Down”

- If an athlete touches the floor with any part of his body other than their feet as the result of a strike or series of strikes and shows difficulty rising.
- If an athlete hangs helplessly on the ropes as the result of a strike or series of strikes.
- If an athlete is outside or partly outside the ropes as the result of a strike or series of strikes; or
- Following a hard strike, the athlete has not fallen and is not lying on the ropes but is in a semi-conscious state and in the opinion of the referee cannot continue the round.

THE COUNT In the case of a Knockdown the referee shall immediately command “YUT” and begin to count the seconds elapsing. The referee shall count aloud from one (1) to ten (10) in the Thai language:

#	THAI	ENGLISH
1	NUENG	ONE
2	SONG	TWO
3	SAM	THREE
4	SII	FOUR
5	HA	FIVE
6	HOOK	SIX
7	JET	SEVEN
8	BAED	EIGHT
9	GOUW	NINE
10	SIP	TEN

Starting the Count Before the number “NUENG” (1) is counted, an interval of one second must have elapsed from the time when the athlete has been struck, and the time of announcing “NUENG” (1).

WBC ADULTS MUAYTHAI RULES & REGULATIONS

Timing and signal the referee shall have intervals of one second between the numbers counted and, starting with the index finger, shall indicate each second with their hand in a manner that the athlete who has been Knocked Down may be aware of the count.

Judge Treatment the Judge shall note a “KD” (Knockdown) on their scoring sheet when the referee had given a count to an athlete. When an athlete is considered Knocked Down due to a strike to the head, the Judge shall then enter “KD+H” (Knockdown to the head) on their scoring sheet.

OPPONENT’S RESPONSIBILITIES If an athlete is knocked down the opponent must at once go to the neutral corner as designated by the referee, facing toward the center of the ring, and waiting with their arms at their side. If the opponent does not go to the neutral corner on the command of the referee, the referee shall stop counting until the opponent has done so. The counting shall be then continued where it has been interrupted.

The opponent may only continue against the athlete who is Knocked Down after the latter has gotten up and the referee resumes the contest on the command “CHOK”.

MANDATORY 8-COUNT When a referee administers a count to an athlete the contest shall not be continued until the referee has reached the count of “BAED” (8), even if the athlete is ready to continue before then. **THE**

KNOCKOUT If the athlete is unable to continue by the count of “BAED” (8) the Referee shall continue to count to “SIB” (10). At “SIB” (10) the contest ends and shall be decided as a “Knockout”.

COUNTING AT THE END OF A ROUND In the event of an athlete being Knocked Down at the end of a round, the referee shall continue to count. Should the referee count to “SIP” (10) the athlete shall be deemed to have lost the contest by Knockout (KO). Should the Athlete recover by the count of “BAED” (8) the referee shall immediately use the command “CHOK”.

THE SECOND TIME AN ATHLETE GOES DOWN WITHOUT A FRESH STRIKE If an athlete is Knocked Down as the result of a strike and the contest is continued after the count of “BAED” (8) has been reached, but the Athlete falls again without having received a fresh strike, the referee shall continue the counting from “BAED” (8).

BOTH ATHLETES KNOCKED DOWN If both athletes are Knocked Down at the same time, counting will be continued if one is still Knocked Down. If both athletes remain Knocked Down until “BAED” (8) the contest will be stopped, and the decision given in accordance with the points awarded up to the time of the Knockdown.

ATHLETE FAILS TO RESUME An athlete who fails to resume competing immediately after the termination of the rest interval, or who when Knocked Down by a strike, fails to resume within 10 seconds, shall lose the contest.

ATHLETE OUTSIDE THE RING Should one or both athletes fall Outside the Ring the referee shall immediately command “YUT” and begin to count the seconds elapsing. The athlete(s) should make their way back into the ring unassisted and unhindered within a count of “Yee-Sip” (20).

WBC ADULTS MUAYTHAI RULES & REGULATIONS

The referee should ensure that the athlete(s) are not assisted or hindered in any manner. Should this occur, the referee should stop the count immediately and the offending party should be warned, continuing the count after the necessary action has been taken.

Should one athlete be unable to return into the ring before the count of “Yee-Sip” (20), the athlete within the ring will be declared the winner by “Referee Stops the Contest”.

If both athletes remain outside the ring with a full count of “Yee-Sip” (20) the contest will be stopped, and the decision given in accordance with the points awarded up to the time of the occurrence.

MEDICAL DOCTOR & PROCEDURES

DUTIES OF THE DOCTOR A Doctor of Medicine for MuayThai should be a well-trained doctor in the sport.

Physical Examination During the medical examination period the Doctor shall check the health of Athlete and certify that the athlete is fit to compete before the weigh-in.

Competition Attendance The Doctor shall sit close to the ring with unimpeded access to the neutral corner steps nearest the Jury. The Doctor shall be in attendance throughout competition and should not leave this place until having examined the two (2) Athletes who participated in the last contest of the session.

Advise the Referee The doctor shall give instruction to the Referee upon their request. The Doctor shall not examine an Athlete during the rest between rounds unless instructed to do so by the Referee.

Attend an Unconscious Athlete If an athlete is rendered unconscious, only the Referee and the Doctor summoned should remain in the ring unless the doctor requires extra help.

Provide Medical Attention an athlete who has been rendered unconscious because of a head hit in a contest or wherein the referee has stopped the contest due to the athlete having received hard hits to the head rendering the athlete defenseless or incapable of continuing, shall be examined by a Doctor immediately afterwards and recommend aftercare or follow up examinations to the athlete and their Seconds. The athlete will be accompanied to their accommodation by one of the officials on duty at the event.

Post-Contest Examination the Doctor should examine each athlete following a contest if there are any concerns of injury.

Government Legislation

Legislation in any country or territory conducting a MuayThai-sanctioned (officiated) title supersedes any WBC MuayThai rules or regulations.

WBC MuayThai officials are to strictly enforce the rules and regulations nationally, and they can only be adjusted when a state or territory government legislation requires a stricter rule or has determined a specific rule to be legislated.

All WBC MuayThai rules are superseded by local state legislation, where a local combat sports commission enforces stricter rules.
